Memorandum

TO : Acting D/ORR

DATE: 28 February 1967

FROM : Acting DDI

SUBJECT: Listing of ORR publications Concerning the USSR Navy and
Merchant Marine
25X1A9a

This is a list of ORR reports that [REDACTED] put together for me in response to Admiral Taylor's query. The list may not be complete. I would like you to have it checked. The whole purpose of the exercise is to examine these publications for the last year, compare them with whatever DIA or ONI has put out to determine the extent of duplication and the special aspects of the problem that ORR includes and are not included in any of the other publications. I have no deadline, but I think we ought to get this stuff together in about a week so I will have something to talk to Taylor about.
